

# PUBLIC PROCUREMENT READINESS PROJECT CALL FOR APPLICATIONS

## Capacity Building for Micro, Small and Medium Enterprises (MSMEs) in Kingston, St. Catherine, St. Thomas and Portland

The Ministry of Industry, Investment and Commerce (MIIC) is inviting Micro, Small and Medium Enterprises (MSMEs) to submit applications for the **Public Procurement Readiness Project**. The project will be implemented by the Jamaica Business Development Corporation (JBDC).

The project is seeking to target **150 MSMEs to increase their participation in the public procurement process, by enhancing their capacity to successfully bid for public sector contracts.**

The capacity building will be facilitated by the Office of the Public Procurement Policy (OPPP) - Ministry of Finance and the Public Service (MOFPS) and will address:

1. The suite of incentives for MSMEs under the Government procurement process and
2. Fundamentals of the Government public procurement regime, including required documentation, steps for completing successful bids, exposure to the Government Electronic Procurement Platform, and sensitization on the special and differential treatments measures for MSMEs.

The capacity building workshops will be delivered face-to-face for **FREE** over two (2) days, from July 11 – 12, 2024. **The Call for Applications will close on Monday, July 1, 2024 at 5:00 p.m.** To apply, visit [www.miic.gov.jm](http://www.miic.gov.jm) or use the QR code below.
